

Wool, Silk & Cotton

Wool, Silk and Cotton is a Calderdale Interfaith community art project celebrating Calderdale's textile heritage. The project was an excellent vehicle for bringing together many local individuals, crafting and faith groups to participate during CMBC'S Year of Culture 2024/25.

The banners will now become a lasting shared resource for Calderdale.

The Three Banners

Showing at Bankfield Museum, Halifax

from September - October 2025
