

Wool, Silk & Cotton

Wool, Silk and Cotton aims to celebrate the textile heritage of Calderdale through a community art project using these materials.

Individuals and groups of all ages, abilities and ethnicities are invited and supported to produce decorative textile squares (10" x 10" worked on a 12" x 12" base). The 2" edges are needed to sew all the squares together on completion to create a banner depicting Calderdale's cultural, social and historical life.

We particularly would like to welcome craftspeople from the Asian Community

All materials used will be paid for by us.
